

Trek Parts

Trek Part - TREK Cleaning Machines is a maker of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than 60 years of experience effectively developing, marketing, manufacturing, designing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are devoted to offering top quality and new design concepts so as to meet the diverse needs of their clients.

TREK Cleaning Machines continually provides fresh design ideas as shown in their product development. They enjoy providing products that energize both their dealers and their partners and provide production gains to their clients.

The TREK team of employees enjoys new challenges and new tasks. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' requirements and skills together with their knowledge of cleaning applications, together with owners' strong desire to dramatically reduce expense through productivity gains.

When needed, the personnel within TREK and its many dealer members in both technical support and parts would be available. One of their core values is their high service devotion in their customer service. Keeping their clients' cleaning machinery ready and functioning day by day is top priority. The company's top of the line technology delivers reliable machinery that ultimately lessens your cleaning cost. The price, the service and the product all work together so as to make them the leader in the industry.
