

Concrete Hoppers

Concrete Hopper - This particular accessory is a self-dumping hopper that automatically starts to unload whenever bumper release touches the side of a dumpster. After dumping is finished, the hopper goes back to a locked and upright position. This piece of machinery even comes along with a cable that allows operation from the seat of the lift truck so as to have the alternative of manually dumping the hopper. There is a locking chain provided so as to lock the hopper to the tine truck. This product is made with consistent and reliable robotic welds for utmost strength. The lift truck dumping hopper even has a blue powder coat finish to be able to maintain durability.
