

## Rockwell Part

Rockwell Parts - The company of AxleTech International is a large supplier of specialty vehicle drive-train systems and parts together with off highway vehicles. They take great pride in being a preferred supplier to their customer base. AxleTech strives to exceed and meet their clients' expectations for quality, service, technology and delivery. They believe in working in an atmosphere which supports the utmost integrity with empowered teamwork, combined with a persistent pursuit of results.

AxleTech International falls under the umbrella of General Dynamics. They place great emphasis on being an environmentally conscious company and providing a safe atmosphere for their staff to work in. Also, they have implemented lots of programs within the corporation so as to help convey these values in their business policy. AxleTech happily shares this policy and welcomes interested parties to provide them with whatever questions or comments, because they are happy to promote and share this policy with a greater understanding of their efforts. They are really committed to improving and preserving the surroundings. AxleTech has an EHS program which not only protects the natural environment but which also actively protects their neighbors and workers too.

AxleTech prides themselves as being a ground-breaking drive-train solutions provider. They specialize in manufacturing and designing planetary axles used for both commercial and military applications. These applications range from construction equipment to airport ground support. AxleTech specially designs axles in order to meet specific application demands. They have over one thousand various axle specs within their existing offering. With more than 100+ years of experience and history, AxleTech proudly supplies the most complete solution for whichever of your axle requirements. The company is well known in many commercial and military applications. They provide complete axle assemblies utilized for aftermarket replacement requirements, along with servicing axle needs for OE production. Their high mobility ISAS have extra details which can be found in the "ISAS" product selection.
